Famous online creators have come together at the 1 Billion Followers Summit in Dubai to talk about how their influence affects people around the world. Influencers at the event use their fame to share kindness, as part of the '1 Billion Acts of Kindness' campaign. One of the most well-known creators, MrBeast, has encouraged millions of people to take part, using his videos and social media to inspire positive actions.

### Things to talk about at home ...

- > Talk to someone at home about the summit and the campaign. Do you think lots of people will choose to take part? Why?
- > Share who influences you. Talk about how some of the people we admire or look up to are well-known or famous, and others may be family or friends.
- > Ask someone at home about who influenced them when they were younger. What impact did they have?

Can famous people help others make good choices?
