A Message from Mrs Porter

We continue to see children arriving inappropriately dressed for the weather. Please make sure your child comes to school with a warm winter coat. If they refuse to wear it for the journey to school, please bring it and give it to class staff who will ensure it is worn for outdoor play. On a less negative note, staff had a very special treat on arrival at school yesterday morning, just before 8am. see below!

Basketball at the UEA Badgers

Class played against seven other schools. They were the youngest team and worked their socks off in every game. Finley, Kenzo and TJJ all scored, while Keiran and Bobbie-Lee were star defenders! Despite feeling nervous, TP stepped up when his team needed him. There was excellent marking, speedy runs and amazing dribbling! Well done to the whole team! Finley was the player of the tournament for working very hard, ignoring unkindness and being supportive to his team mates! Bravo!

19th - 25th January

In the news this week

Recently, a new award, called the Jane Goodall Earth Medal, has been created to celebrate people who work to help others and care for the world. It is named after Dr Jane Goodall, who spent her life protecting animals and encouraging people to look after nature. The award recognises kind and caring actions that make a positive difference, even when people are not looking for praise.

Things to talk about at home ...

- > What do you think about the new award? Share with someone at home. Do you believe it's important to recognise kind actions?
- > Can you think of someone you know who helps others or cares for the world in everyday ways?
- > Can you come up with other ways that people can be recognised for their actions?

Please note any interesting thoughts or comments

Can awards encourage people to help others and care for the world?
