Spring Term 2 Success!

A message from Mrs Porter

This week the children from Otters and Hedgehogs classes, travelled to West Stow Anglo Saxon Village, where they saw history brought to life! The trip saw them extend their learning by getting out of the classroom.

Thank you to everyone who came to this morning's topic showcase. Your support of this event means so much to the children; boosting their sense of being valued and allowing them to be proud of the school work they produce.

We have had a busy week; litter picking towards our target for the Big School Clean (see back page); Easter egg hunts and egg rolling competitions; a visit from our local Vicar to share the story of why we celebrate Easter; and this term's Stars of the Week treat!

What makes someone a champion?

In the news this week

Athletes from around the world have been competing in the Winter Paralympic Games in Italy. The Paralympics are an international sporting event for athletes with disabilities. This year's competitors took part in events such as skiing, snowboarding, wheelchair curling, and ice hockey. Many athletes train for years to compete at this level. Some have overcome injuries or health challenges, while others were born with disabilities. Using specialised equipment and in incredible determination, they compete for medals.

Things to talk about at home ...

- Who do you find inspiring in sport? Ask someone at home about who they find inspiring.
- What does being a champion mean to you?
- What helps people overcome challenges? Talk with someone about their experiences.
