A message from Mrs Porter

World Book Day was definitely the highlight of the week! Badgers Class ran a reading café complete with monster food, drink and a story den! Our Head Boy did an excellent job standing guard!

**"Should school uniforms
be the same for
everyone?"**

Turn to page 2
to read all about it! Should all pupils
wear trousers/shorts?
At our school, we wear our uniform with
pride. It creates an inclusive
environment where all pupils feel equal
and can focus on their learning. Wearing
a uniform helps instil a sense of
belonging and community.

Should school uniforms be the same for everyone?

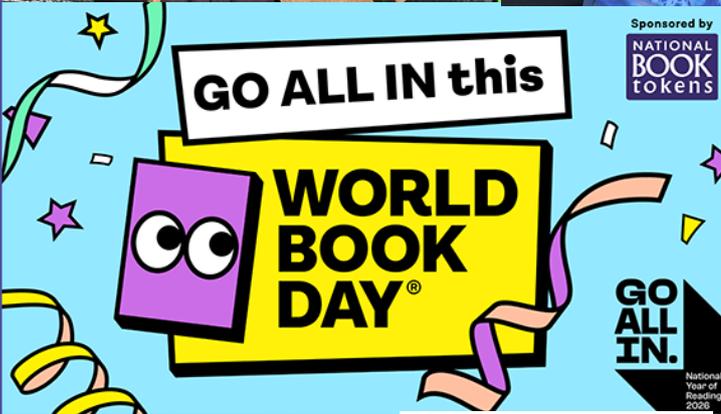

In the news this week

Brynteg School in Wales has said that from September, skirts will no longer be part of the school uniform. Instead, all children will wear trousers or shorts. The school says this will make the uniform more practical and fairer for everyone, but some parents and pupils have different opinions about the change. This announcement has added to discussions about school rules, fairness, and whether uniforms should be the same for all children.

Things to talk about at home ...

- Talk to someone older at home about your and their experiences of school uniform. Have they changed over time?
- Share your thoughts on the changes Brynteg School is making. Do you feel they are positive changes?
- If you could create your own uniform, what would it look like?

Please note any interesting thoughts or comments
