A message from Mrs Porter

Yesterday, Dragonflies Class visited ROARR! and had a roar-some time learning all about dinosaurs while having lots of fun too! Our remaining classes took part in Cultural Diversity Day, learning about the different traditions and foods of world cultures. See the back page! Thank you to all the parents and carers who came along to our Ancient History Topic Showcase this morning in The Barn! What a fantastic turnout! The classes have learnt about prehistoric times, the Stone Age, ancient Egypt and the South American Mayan people. I think you'll agree that the children produced some fantastic work this term. See back page!

TAKEHOME

Do we learn
more from
winning or
losing?

In the news this week

Last weekend, football teams Manchester City and Chelsea competed in the Men's FA Cup Final at Wembley Stadium. The FA (Football Association) Cup is one of the oldest football competitions in the world, with teams from across England and Wales taking part each year. Millions of people watched the match, supporting their teams and hoping to see them win the famous trophy. For the players, reaching the final is a huge achievement after months of hard work.

Things to talk about at home ...

- Can you think of a time when you won something - what did you learn?
- What about a time you didn't win - what did that teach you?
- In your opinion, why do some people keep trying even after losing?
- Talk together about how you believe we should behave when you lose.

ANCIENT HISTORY

The classes took a trip way back in time! Here's a snapshot of their wonderful work!

CULTURAL DIVERSITY DAY

The pupils took their passports on a journey around the world, through the curriculum.

Languages - The children learnt how to say "hello" in 24 different languages, including Polish, French, Spanish and Chinese!

Jambo!
From Tanzania!

English - They wrote letters to children in Moshi, Tanzania, where Mr Endall, Miss Spencer and Mr Radcliffe will be visiting after half term! They have asked some good questions, including "what is your favourite food?", "what toys do you like to play with?", and "do you like football?" We can't wait to find out more about their daily lives and school in June, when our staff return from their travels!

Music - The children made and played instruments, beats and songs from around the world.

Food - They tried lots of food from different cuisines in a whole school international picnic, including Boba tea from Taiwan, pizza from Italy, salsa and guacamole with tortillas from Mexico, chicken nuggets from the USA, and crusty bread with brie cheese and cranberries from France.

Art - The children coloured in and learned about different nations traditional dress.

P.E. - The children loved playing games from around the world on the school field and in classes!
