A message from Mrs Porter

As we come to the end of another humid week, I would like to thank Miss Flack from Otters Class for organising the whole school trip to Cromer Multiplex to watch Toy Story 5. A lot of popcorn was eaten and fun was had! Miss Flack is leaving us at the end of term to do her teacher training. We wish her lots of luck (she won't need it because she's going to be brilliant) and we'll all miss her greatly, especially her Otter cubs.

I would also like to thank all the children and staff for their hard work, setting up the school field for today's festival, Stablestock II. A big "WELL DONE" goes out to all the children on their performances today, as well as BIG THANKS to Adam "Bandwagon" Lawrence, for his tuition this year and support for the festival. Thank you to Mr Beddow for cooking a fantastic feast on the barbecue today, and to all the staff team for their efforts in making today a success, whatever their role.

Next week is transition week, where the children who are moving classes will spend time with their new teachers. Mrs Gibson will be sending home timetables for Autumn Term 1, plus term dates for the year. Otters will be surfing for the first time next term; please can carers be on the look out for the letter as we will need consent to be returned before next Friday!

Turn to the back page to find out which Team won the House Cup. Our children who gained the most points for their teams are namechecked below! Well done, boys!

Dates for your diary

- ♦ 13th - 17th July - transition week
- ♦ 15th July - Beach day at Mundesley
- ♦ 17th July - Last day of term finishing at the earlier time of 13:00
- ♦ 3rd September - Back to school
