House Points Yellow House are unstoppable!

Well done, Fendi, Theo, Theodore, TJW and Bobbie-Lee. Can any team catch you?

A message from the headteacher

You might have noticed some fencing has been put up across the school sports field. We are having another residential home built for children who need somewhere safe to live. The sports field is very large, so we still have plenty of space for P.E., as well as our huge paddock and outdoor learning area. It will be exciting for the children to see a house being built from scratch, and might inspire some future builders!

Halloween

We are dressing up on the last day of term so we can celebrate Halloween a little bit earlier than the 31st October!

If you go Trick or Treating in the holiday, don't forget to take a grown up and only knock on doors with pumpkins or decorations.

"Diversity and Me" Topic Showcase

You are invited to The Barn from 08:45 to 11:00 on Wednesday 21st October to come and admire your child's topic work for Autumn Term 1.

These events have previously been very successful so we will continue to host them at the end of term.

The children love sharing their work with you, and we hope you will enjoy their latest showcase. Pop by anytime from 08:45 and your child will come to meet you.

If your child is unwell, has an appointment or will be late, please call Mrs Gibson in the office.

Don't forget to label **ALL** your clothing and footwear so we know it belongs to you!

Please return your child's consent for local visits ASAP, thank you.

Celebrating Success

Wow!

Work of the Week Awards

Finley for his independent maths work.

Lucas for his self-portrait in art.

Keira for lots of independent work, completing extra work and helping her friends with their learning too!

No WOW in Otters this week.

Theodore for sounding out each letter of your name really well.

Star of the Week

Luke

You had your best week so far, using words to explain how you are feeling. You have shown great care and kindness towards your classmates. Well done!

We love reading at The Stables School!

Proud to support
The National Year
of Reading 2026.

GO
ALL
IN.

Reading can be accessed via so many routes! From reading the back of a cereal packet at the table during breakfast, to using subtitles while watching kids TV programmes so you can read along.

Books can be daunting, so comics are a kid-friendly alternative. We're looking forward to receiving the first delivery of our new subscriptions: Beano, Nat Geo Little Kids, and National Geographic Kids. Hopefully we will add to these in future. If you have any suggestions, please share them with us.
